

## How to Complete Your Absentee Ballot

- o **Please complete and return your ballot as soon as possible.**
  - o Voted ballots must be accompanied with your voter declaration/affirmation and mailed by the day before the election.
  - o Your County Board of Elections must receive the ballot no later than 7 days after the election.
  - o Carefully read all instructions to ensure the ballot is marked correctly.
- o Your list of candidates may have changed since this ballot was prepared. Please check with your county election office or review the UMOVA notice on your county's website to confirm the latest list of candidates. You can find county contact information at [www.votespa.com/county](http://www.votespa.com/county) or find additional information at [www.FVAP.gov](http://www.FVAP.gov). Please note that your timely received ballot will be counted, even if changes are made to the candidate list after you vote your ballot.
- o To prevent a voided ballot, do not fix a mistake on your ballot by striking through the error or adding extra marks. Instead, destroy the incorrect ballot and print a new copy to complete and return. You can print the ballot as often as necessary, though you should only return one.
- o Once you have completed your ballot, fold and place it in a blank envelope and seal – this will be the Secrecy Envelope for the ballot. **PLACE ONLY YOUR VOTED BALLOT IN THE SECRECY ENVELOPE AND DO NOT WRITE ON THE SECRECY ENVELOPE.**
- o Read the mailing instructions carefully to ensure that your ballot is returned properly to your County Board of Elections.
- o If you can vote in person on Election Day, you will be required to go to your polling place, request to void your absentee ballot, and cast your vote.
