Clearfield County Fall Illegal Dump Clean-up Event - Thank You!

The Clearfield County Solid Waste Authority would like to take this opportunity to recognize all the volunteers and organizations from across Clearfield County who participated in this fall's week-long Clearfield County Illegal Dump Clean-up Event held October 22-26.

Our County Solid Waste Enforcement Officer had identified fifteen (15) sites in eight (8) municipalities and put the call out for the need of volunteers to assist. While tackling fifteen (15) sites was a very aggressive goal with the great turnout of volunteers and municipal support eleven (11) of those sites were partially or completely cleaned up. We filled a thirty (30) yard dumpster, a fifteen (15) yard dumpster, and collected sixty four (64) tires for recycling.

We would like to recognize the following individuals and organizations who made this event such a success!

- BH Tree Service, State College PA
- Senior Environment Corps Clearfield County
- Young People Who Care, Frenchville PA
- Cooper Township
- Bob Johnston, Cooper Township Resident
- Lawrence Township
- Decatur Township
- Elena English, Clearfield Area Jr/Hs Student
- Clearfield County Solid Waste Authority Staff
(Agatha Lauder-English, Amanda Davis, & Jodi Brenna)

(Senior Environment Corps volunteers)

Thank you for caring about your community. Together you helped return your community to a clean and beautiful place to live! Even if it's just picking up a bag of fast food trash along the road your efforts do make a difference!
